

What Is BondCentral®?

BondCentral® is an interactive, online fixed income trading platform accessible through NetExchange Pro®. This sophisticated, user-friendly platform is equipped with the essential tools for you to effectively service your clients' fixed income investment needs in a convenient and cost-effective manner. Through BondCentral, you have access to a highly efficient, electronic, multi-dealer environment.

Features of BondCentral

- › **Comprehensive Inventory.** Select from a wide range of fixed income products, including U.S. Treasury and Agency bonds, investment grade and high-yield corporate bonds, municipal bonds, preferred stock, certificates of deposit (CDs), auction rate securities, unit investment trusts (UITs), and commercial paper. Access a real-time inventory of more than 25,000 line items, offered by more than 90 participating dealers, allowing you to buy or sell securities at the best available price and giving you a comprehensive view of current supply and yield levels.
- › **Extensive Search Capability.** Search for offerings that fit your clients' investment parameters using criteria such as yield, credit rating, maturity, and CUSIP®.
- › **Bond Calculator.** Calculate prices (including sales credit), yields, and values for a particular bond.
- › **Trading.** Place buy and sell orders or bid- and offer-wanted requests. In addition, access direct order functionality, connecting to live markets that continuously update and provide offerings that are automatically executable.
- › **Client Proposals.** Build a laddered portfolio or create inventory offering sheets. With the click of a mouse, you can generate a personalized, professional presentation for your clients.

- › **New Issue Center.** Access a real-time inventory of a variety of new issue fixed income securities, including continuously offered medium term notes (MTNs) and a broad range of structured product offerings from multiple providers.
- › **Investment Professional Tools.** View the home page, which includes current yields, fixed income news, and commentary from Briefing.com®.
- › **Trading Education Center.** Learn more about bonds and bond markets from educational content powered by The Securities Industry and Financial Markets Association. Access a wide range of tutorials, important indicators, and real-time data, in addition to market news and commentary.

Benefits of BondCentral

- › **Valuable Time Savings.** Make timely investment decisions for your clients, while focusing more attention on gathering additional assets. You can also increase your efficiency by accessing BondCentral from remote locations.
- › **Execution Quality.** Increase your firm's execution quality by participating in a competitive multi-dealer environment.
- › **Customizable Tools.** Choose from a variety of customized fixed income trading tools to better meet your clients' needs.
- › **Consolidated Resources.** Explore your fixed income options and execute your trades from a single, online solution.
- › **Competitive Edge.** Strengthen your business and meet your clients' fixed income needs with offerings from more than 90 fixed income dealers who provide liquidity on a broad spectrum of fixed income instruments.
